Edison, NJ · John P. Stevens High School, Class of 2027 · hackerone.com/dwijb · hawkeyejps.com/staff_name/dwij-bhatt

EDUCATION

John P. Stevens High School

Edison, NJ · 2027

- **SAT:** 1560 (Math 800, Reading & Writing 760), September 2026
- **PSAT/NMSQT:** Commended Student, Selection Index 221
- Member, National Honor Society and Science National Honor Society

CYBERSECURITY EXPERIENCE

New Jersey Cybersecurity and Communications Integration Cell (NJCCIC) · Advanced

Grades 11–12

Cybersecurity Intern & Co-Leader

- Selected for a competitive advanced state cybersecurity internship; served as **co-leader** of the intern cohort.
- Conducted research and threat intelligence analysis; presented a capstone project to state CISO teams.

HackerOne Coordinated Vulnerability Disclosure · Independent Security Researcher

Grades 11–12

- Discovered and responsibly disclosed a DOM-based XSS and an authentication/account-takeover vulnerability in real-world web applications.
- Wrote detailed technical reports, supported remediation, and earned **public acknowledgment from McGraw Hill**.
- Continue auditing authorized platforms through coordinated disclosure programs.

CyberPatriot National Youth Cyber Defense Competition (Air Force Association) · Team Leader & Competitor

Grades 9–10

- Led a team securing Linux and Windows virtual systems under a 4-hour time limit; **National Semi-Finalist** among 25,000+ competitors.
- Coached teammates in networking, Linux, and Windows administration; completed AFA CyberCamp training.

RESEARCH & STEM

Paris Observatory, France · Research Volunteer

Grades 10–12

- Worked with researchers on research methodology and data analysis; classified scientific data contributing to professional studies.

Air Force Association StellarXplorers Competition & Camp · Competitor

Grade 11

- Competed in a national aerospace competition on satellite systems, orbital mechanics, and space operations; earned certifications in Systems Tool Kit (STK).

TCS goIT Summer App Design Camp · Group Leader & Presenter

Grade 9

- Led a team designing an app framework for a real-world problem using design thinking; presented the final project to mentors from industry.

LEADERSHIP & SERVICE

Civil Air Patrol, U.S. Air Force Auxiliary · Element Leader

Grades 9–12

- Rose to Cadet Senior Airman; as Element Leader, mentored cadets at weekly meetings and assisted with drills. Earned the Wright Brothers Award.

JFK Hospital · Volunteer

Grade 12

- Transport patients, restock nursing supplies, and guide families across front-end and back-end hospital departments.

National Honor Society & Science National Honor Society · Member & Peer Tutor

Grades 10–12

- Tutor peers in science; support community service projects, donation drives, library assistance, and STEM initiatives.

The Hawkeye Newspaper & JPS Weekly Media · Opinion Writer, Newsletter Writer & Video Editor

Grades 9–12

- Write opinion articles and school newsletters on school, community, and current events; video editor since Grade 11.

HONORS & AWARDS

- **CyberPatriot National Semi-Finalist**, National Youth Cyber Defense Competition (Grades 9, 10)
- **Public acknowledgment from McGraw Hill** for coordinated vulnerability disclosure via HackerOne (Grade 11)
- **PSAT/NMSQT Commended Student** and College Board National Recognition Program (Grade 11)
- **Wright Brothers Award**, Civil Air Patrol (Grade 11)

SKILLS

Security: web application testing (XSS, authentication flaws), vulnerability reporting, threat intelligence analysis

Systems: Linux and Windows administration, networking fundamentals · **Tools:** Systems Tool Kit (STK, certified), video editing
